# Day 2: Wednesday, August 6, 2014

## Math – Day 2 of 2

### Breakfast/Registration
**7:30-8:30 AM**
Network Team Institute Registration in the Museum Lobby
Breakfast on the 4th Floor Terrace

*If you are attending with a grade band school team, please to sit together during each session.*

### Opening Keynote
**8:30-9:00 AM**
Ken Wagner, NYSED Deputy Commissioner of Curriculum, Assessment, and Instructional Technology, in the Clark Auditorium

### NYSED session: 9:00-10:30 AM
**Balancing Rigor and Support**
Kate Gerson, Senior Fellow, in Clark Auditorium

One of the challenges we face in Common Core implementation is where to draw the line between maintaining high expectations for all students and scaffolding their learning from where they are. We’ll address our daily decision making regarding support for students and consider Carol Dweck’s work on Growth Mindset.
